As co-chairs of the 2020 HALO Invitational, we are honored to support an event that opens the doors of Catholic schools to more of our community’s children. The wisdom, compassion, values and friendships we each gained through our own Catholic school experiences propels us to step up as friends with a mission – helping students have the gift of a Catholic education, no matter their financial situation. Please help us support the 2020 HALO Invitational and the next generation of kids who will flourish in our Catholic schools.

10th Anniversary HONORARY CHAIRS

Our family appreciates the intangible value of a Catholic education and believes every child should have the opportunity to grow academically, physically and spiritually at a Catholic school. We are happy to serve as Honorary Chairs for the 2020 HALO Invitational because the event’s continued success provides access to Catholic schools for more students. Please join our family in supporting the HALO Invitational to create a positive impact for families and young lives in our diocese.

- Mary and Mike Terry
